S v T (Permission to relocate to Russia) (2012)

[2012] EWHC 4023 (Fam)

07/12/2012

Barristers
Justine Johnston

Court
Family Division

Practice Areas
International Children Law
Private Children Law
When parties entered into transnational parenting, they were taken to be doing so with their eyes wide open and with an understanding that, if their relationship broke down, the possibility of the child or children moving abroad would become a major issue. In the instant case, the mother of a one-year-old child would be permitted to relocate with him to her native Russia following the breakdown of her relationship with the father, a British national.
