

International Legal and Professional Development Grant Programme

4th March 2015

Congratulations to [Andrew Powell](#) who has been awarded an International Legal and Professional Development Grant. The programme is supported by the Bar Council and the FLBA.

The grant programme aims to encourage more junior barristers to participate in activities which will give them an international perspective on legal issues and help them to thrive in an increasingly globalised legal market.

Andrew will be attending the American Bar Association Family Law Section conference in California in May 2015, where there will be a particular focus on assisted reproductive technology and surrogacy law.
