

Launch of ADR-ODR International

14th October 2016

Nicola Wallace was invited to host the launch of ADR-ODR International on Thursday 13th October, on behalf of Rahim Shamji, barrister and Chief Executive.

Guest speakers were Lord Peter Hain and Sir Alan Ward. The company is the new venture of Rahim Shamji who until recently was Global Director of Education & Training for ADR Group. Over 150 attendees from the world of mediation attended. The launch was at BPP Law School Holborn, a fitting venue given that Rahim was responsible for first introducing ADR as a module in the BPTC syllabus.
