Rotherham Metropolitan Borough Council v M & Ors

[2016] EWHC 2660 (Fam)

25/10/2016

Barristers

Rebecca Foulkes

Court

Family Division

Practice Areas

Public Children Law

It was appropriate to make a reporting restriction order preventing the identification of (a) a vulnerable teenage girl who was at risk of sexual exploitation and (b) four Asian males who had associated with her. Naming the males risked revealing the girl's identity; it was also significant that no findings of sexual exploitation had been made against the males.
