

Witness Training

15th March 2017

Once more 4 PB, organised by Sally Bradley, joined forces with the Royal College of Paediatrics and Child Health in training paediatricians in procedure and the giving of evidence in the family courts. Lord Justice McFarlane gave an impressive closing address about the vital role treating clinicians and medical experts play in the court process. The RCPCH described it as the best training day yet. Many Thanks to all those from chambers who participated
