

## Tenancy

Over the last few years a number of high quality practitioners (both silks and established juniors) have joined 4 Paper Buildings from other leading sets.

We remain actively interested in first class experienced practitioners in our major fields of practice and our aim is to facilitate a smooth transition, and to provide a happy and supportive working environment.

Chambers is always interested to talk to outstanding established practitioners at all levels. If you are interested in applying please read the [Tenancy Information](#) document to see the information we would like to see in support of your application. Please send this along with an [Diversity and Equality Monitoring Form](#). For further information or an informal discussion, in the strictest of confidence, please contact:
