

## What is 4PB like? (Tour of chambers)

We are well located in a beautiful historic building in the Inner Temple, between Fleet Street and the Embankment and overlooking the fabulous Inner Temple Gardens. The Royal Courts of Justice, the Central Family Court and other London courts are easily accessible. We have a comfortable waiting room and several conference rooms where barristers and clients can meet to discuss cases in privacy. The clerks and administrative staff work in airy offices off reception, which you'll find on the first floor of 4 Paper Buildings, and most of the barristers' rooms are upstairs from there.

Surrounded by history, we are nevertheless committed to technology and ensure that our communications systems and legal information resources are cutting-edge. Our client service is renowned as among the best in the Temple.

We're also widely considered to have the most approachable expert family law barristers in London.
