

Article 13b – where are we now?

25th May 2022

Barristers

Mani Singh Basi

Mani Basi writes for the Family Law Journal. The article explores the recent case law (up to February 2022) where the Article13b defence has been relied upon in matters relating to the 1980 Hague Convention. This helpful summary of the legislation and recent case law is a must-read for International Family Law practitioners. Read the full article [here](#)
