

4PB launches new Parental Leave Policy

27th September 2022

4PB are proud of our new Parental Leave Policy recently launched. The policy ensures members pay no rent to chambers during a period of full parental leave up to 12 months and for a further 12 months after their return.

This is one of the most progressive parental leave policies at the Bar and is an example of the continued commitment at 4PB to supporting parents to advance and develop their careers at the Bar.
